

_____ is taking part in the

Miscarriage Association Memory Walk

October 13, 4pm

About the Walk:

The Miscarriage Association Memory Walk is a chance for those affected by miscarriage, ectopic and molar pregnancy to join together with loved ones to remember the little lives gone too soon.

By supporting the cause, you are helping them to continue supporting those affected by pregnancy loss through their helpline, support groups, and resources.

Why this is important to me...

Could you support me, and the Miscarriage Association, by donating to the Team fundraising page?
